

JOB OPPORTUNITY

The NEAS Group is a maritime transportation service operator serving Canada's Eastern and Western Arctic, including Nunavik (Northern Quebec), and the Qikiqtani, Kivalliq and Kitikmeot regions of Nunavut. We are the fastest-growing sealift service with a growing fleet of modern vessels.

JOB OPENING: 2ND CLASS MARINE ENGINEER

Qualifications:

- Mandatory: Certificate of competency as second-class engineer motor without restriction
- Marine Medical Certificate
- Certificate of proficiency: advanced fire fighting, survival crafts and rescue boats (other than fast rescue boats, marine advance first aid)
- Excellent leadership and supervision skills
- Excellent analytical skills, troubleshooting and problem solving
- Good capacity to work under pressure

Work conditions:

- Starting Date: August 10, 2021
- Temporary position
- Competitive salary and benefits
- Work schedule depends on ship needs.

Descriptions:

1. Second Engineer reports directly to the Chief Engineer. In the absence of the Chief Engineer, he reports directly to the Master.
2. Responsibilities include, but are not limited to:
 - a. Operating all machinery in the engine room.
 - b. Carrying out overhauls on all engine room machinery under direction of the Chief Engineer.
3. Take over the Chief Engineer's duties and responsibilities if the Chief Engineer is unable or absent.
4. Being familiar with the operation and use of all emergency equipment on the vessel, with emphasis being placed on location and use of fire fighting, lifesaving equipment, man overboard equipment, and safety apparatus.
5. Instruct and supervise other engineers and engine room assistants in their duties.
6. Open up and shut down vessels, as per Company's procedures.

Salary & Benefits: Salary conditions to discuss all benefits included.
