

# TRANSPORT NANUK INC.

For nearly 30 years, the NEAS Group has distinguished itself and contributed positively to the sustainable economic development of the populations and communities of the Far North. They offer distinctive maritime services, relying on modern vessels, the best offer of cargo services, and its 250 highly qualified, professional, and customer-oriented employees.

### **Superintendent – Becancour Terminal**

Under the direction of the VP of Operations, you will be an indispensable asset to the Becancour Terminal team. In this position, your responsibilities will be to:

- Supervise the loading of vessels (loading plan, vessel stability);
- Ensure the smooth running and quality of operations;
- Prepare documents related to operations while playing a role as a representative of the company in terms of health and safety, work organization, in collaboration with the crew and longshoremen;
- Ensure synergy between the various stakeholders during operations (maintenance, ship crews, customer representatives, etc.)
- Prepare transaction documents and complete reports in the various NEAS Group systems.
- Manage the compliance of all goods, in connection with the requirements of maritime transport.
- Supervision and coordination of external loads.
- Any other job-related tasks may be requested.

#### Requirements

- Minimum of 3 years of experience in the maritime field,
- In-depth knowledge of logistics and politics.
- Bilingualism (French and English read, spoken and written) is essential.
- A valid forklift card. An update may be provided as required.
- In-depth knowledge of Microsoft Office range of computer systems and supply chain management.

## TRANSPORT NANUK INC.

#### **Qualities sought**

- Sense of urgency, team spirit, ability to manage priorities and time
- Organization, analysis and attention to detail.

This position is a regular, full-time position. Occasional trips to Montreal will be expected.
